

THEY'RE NEW, THEY'RE BLUE AND THEY'RE WAITING HERE FOR YOU TO GIVE THEM A TRY!

Chalke Valley Short Mat Bowls Club is happy to announce that with the help of a Wiltshire Board Area Grant and a generous contribution from Broad Chalke Parish Council we are the proud owners of two new bowling mats.

As part of the ongoing improvement of facilities for the club, the new mats are a major investment that will hopefully benefit and develop the skills of the current membership as well as potentially attracting new people to the club.

With the purchase of the mats, coinciding with additional investment in training equipment and new bowls to suit all participants it is hoped that the current level of membership can be sustained and grow going forward into the new year.

Wiltshire Short Mat Bowling Association coaches have also been approached to offer some sessions aimed at improving the skills of the experienced members and giving those who have recently taken up the sport essential pointers to begin in the correct manner.

If you would like a little gentle exercise in a friendly but competitive atmosphere come and try out our new mats any Monday evening from 7:30pm. All equipment is provided and should you wish to join the club we charge £20 for an annual membership and £2 each night you play to help cover running costs.

For further information just turn up on a practice night at Chalke Valley Sports Centre, Knighton Road, Broad Chalke or call Damon Johns on 780915.

Thanks again to Wiltshire Council, Broad Chalke Parish Council and the continued support of our current club memberships for making this possible.
